Discover the Caribbean like no one has ever before! This journey filled with unique experiences, is planned and organised hand in hand with the islands of Turks and Caicos, British Virgin Islands, Bequia SVG, Guadeloupe and Dominican Republic.

REGISTRATION: FORT LAUDERDALE, FL (KFXE)

Register and prepare for the journey ahead starting with a 2 hour International Flight planning, EAPIS/CARICOM workshop. The itinerary is planned taking into consideration the slowest aircraft. Alternate "overland routes" & fuel stops are suggested but not mandatory. The Caribbean Air Rally has grown to become a well-recognized aviation event. Participants receive the best attention from airport personnel and local authorities and enjoy a maximum of security.

Day 1 & 2: Grand Turk, TCI

This year's edition will be launched in this beautiful island in presence of Government dignitaries and celebrated with a party on the beach.

Grand Turk is one of the best diving places in the Caribbean, with easy access to an impressive protected coral reef. No crowds, no high-rise buildings, beautiful waters and sandy beaches. Grand Turk is laid-back, friendly, casual and relaxing. It is custom to ring the bell of the Air Rally at the Governor's home, subject his Excellency's agenda.
